**When printing light inks on dark garments,
the dark garment color come thru the light color ink.**

**To solve this problem, we must first print a white 'under base'
and dry it on press before the other print colors are applied.**

This ensures that your logo's colors remain true, clear and visible on all dark color garments

Other Fees:

- Screen Prep \$15 per color
- Printing On or Above Pockets add 25% to print price
- Printing On Nylon add 25% to Dark Garment Prices
- Individual Folding and Bagging \$0.40 each
- PMS Color match \$10
